

A wooden cabin with a gabled roof and a window, surrounded by snow-covered evergreen trees. The scene is illuminated by a warm sunset or sunrise, with a bright sun low on the horizon to the right, casting a golden glow over the snow and trees. The sky is a deep blue with scattered white clouds. The cabin has a rustic appearance with dark wood siding and a light-colored window frame. The snow is piled up around the base of the trees and the cabin.
